

Queen's University Community Housing Disposal Alternatives & Storage Related Resources

Please remember that as Tenant(s), you are required at the end of your tenancy, to return the unit vacant with all items removed from the property. Failure to comply will result in Community Housing removing, discarding and invoicing you for these services. We sincerely hope that this will not be the case and that you will use the following resources to assist you with your move-out. In addition, the City of Kingston has some useful information at www.cityofkingston.ca/residents/waste

Disposing of Old Appliances (eg. Tenant owned fridge, freezer, washer, dryer, dishwasher, computers)

Several stores in the Kingston area buy used appliances, recondition or fix them and then resell them. Some outlets even offer free pick up. For more information please contact these service providers directly.
